

All Clear Laundry Detergent

A low foaming, fragrance free, detergent which effectively removes dirt and stains. Formulated to work in all water temperatures and soil load conditions. Contains unique blends of surfactants, stain removers, water softeners, brighteners and odor eliminators. Phosphate-free and free rinsing.

How to Use

Pretreat stains. Sort clothes by color, fabric and soil amount; place in washing machine. Add 1 pak to machine for small loads. Add 2 paks for medium loads. Add 3 paks for large loads. Choose water temperature and fill machine using appropriate cycle.

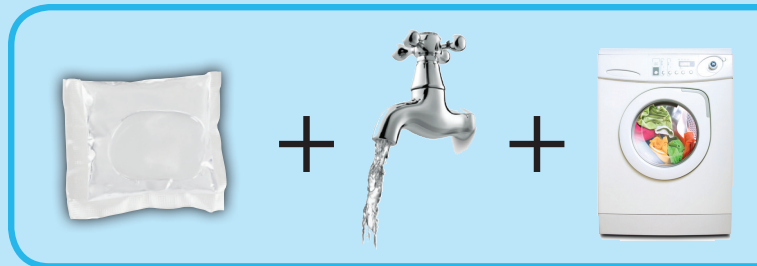

Where to Use

- Front loading washing machines
- Top loading washing machines
- Also works well in HE machines

U.S. Patent No. 6,037,319
