

# X-TREME Window Cleaner

An effective formulation which dissolves grease, films, smears and fingerprints. Excellent for use on glass, windows (interior & exterior), showcases and hard surfaces. Deposits an invisible coating that resists resoiling, smearing and fingerprints while effectively freshening the surrounding environment. Biodegradable and phosphate-free.

## How to Use

Just add one pak to an empty pail or bucket. Fill pail or bucket with warm water (cold water may also be used). Allow 3-4 minutes to completely dissolve and then agitate. Rub gently on surface to be cleaned with a microfiber cloth, sponge or squeegee. Rinse microfiber cloth, sponge or squeegee during use to remove soil.

## Where to Use

Ideal for cleaning windows, showcases, vehicles and other various hard surfaces.

U.S. Patent No. 6,037,319

### Technical Data

**Pak Size:** 40 Grams

**Solubility in Water:** Complete

**pH at Use Dilution:** 8.5 ± 0.5

**Color:** Clear Dark Blue

**Fragrance:** None

**Phosphates:** None
