

Heavy Duty All Purpose Cleaner

For Quarts:

A powerful, ready to use, non-aerosol product for multipurpose supercleaning. Just spray on, agitate if necessary, then wipe off. Removes grease, grime, ink, smoke film, crayon and stains from all hard surfaces. Pleasant ocean fragrance. Phosphate-free. Safe for use on most hard surfaces.

U.S. Patent No. 6,037,319

How to Use

Add one pak to one quart of warm water. Shake to mix. Spray on surface to be cleaned. Wipe off excess product with a clean, dry paper towel or lint-free cloth. For heavier grease and grime, use two paks per quart.

Where to Use

- Shower walls, bathtubs, & sinks
- Baseboards, wall spotting & soiled walls
- Any soiled surfaces and/or equipment
- Excellent for deep cleaning
